FATHER'S DAY KEEPSAKE

BASEBALL CRAFT WORKSHOP

THE PERFECT FATHER'S DAY GIFT FOR BASEBALL NUTS AND SPORTS LOVERS

Surprise dad or grandpa with the ultimate keepsake featuring your child's hand printed baseball in a display case.

Together with your child, we create this adorable handmade gift during our Baseball Keepsake Workshop. Choose either a clean white baseball as the canvas for your child's handprint...or if you prefer the aged look, we can provide a hand-painted "vintage" baseball that has been distressed to look worn with baseball dirt.

We'll place your child's handprint (ink color of your choice) and label their name & age with permanent ink to bring daddy smiles for many years to come. Perfect decor for his office, man-cave, or anywhere else he hangs out!

The baseball comes enclosed in a UV Protected clear acrylic baseball display case. The finished keepsake will be waiting for you to pick-up in their classroom, covered up in a closed, stapled bag and labeled "Craft Workshop" with your child's name.

This workshop will be held Tuesday, June 14th
